Dear Prime Minister,

On behalf of the Government of Jersey I offer my warmest congratulations on your election as Leader of the Conservative Party and appointment as Prime Minister of the United Kingdom.

The United Kingdom is Jersey's closest international partner, and the links between our jurisdictions stretch back centuries. Jersey's new Government continues to place high value on the Island's relationship with HM Government.

The importance of our long-standing links and Jersey's value to the UK have been reinforced recently as a result of Jersey's role in introducing the sanctions that followed Russia's invasion of Ukraine.

As you may also be aware, there are issues arising from the implementation of the UK-EU Trade and Cooperation Agreement (TCA) that require ongoing cooperation in order to ensure the day-to-day challenges can be addressed and opportunities realised.

Jersey has enjoyed a very positive relationship with previous UK Prime Ministers. Along with Jersey's Minister for External Relations, Deputy Philip Ozouf, I look forward to a similarly warm and supportive dialogue with you and your Ministerial team, to overcome challenges and to underpin the mutual success of our jurisdictions.

I look forward to working with you.

Yours sincerely,
