And let's face it, at some 35 years ago, the Queen of soul was way ahead of her time!

The Friday Webchat enjoyed the company of Gary Burgess Kevin Keen and Deputy Kirsten Morel on the panel and we thank them to their time and comments, all with the hundred or more who registered too. For those who missed it, the full webchat can be watched here:

Face

Behind the Mask - Eric Clapton

Remember I uttered the word Face Fitting earlier this week? It seems this has been most helpful to the likes of dentists. The course and certificate you get for a properly fitted mask, seems a sensible bit of Health and Safety and the guys at 4Hire Group will give Chamber members 10% off the course too, so mention you are a member.
