Thank you for downloading this fundraising pack and for expressing an interest in organising an event to fundraise for Ukraine Week. The following pages will give you tips and advice on how to make the most of your fundraising. Every pound you, your friends, colleagues and family members raise for the Bailiff's Ukraine Appeal will make a huge difference to those surviving in the midst of a country torn by war.

We hope you enjoy your experience of fundraising for Ukraine Week. If you need any further information or support please do not hesitate to get in touch with us at Jersey Side by Side or with our Ukraine Week Coordinator at c.ramsay@gov.je.

2 - THANK YOU FROM OUR CHAIR

**UKRAINE
WEEK**  **SIDE
BY
SIDE**

Jersey has stood shoulder-to-shoulder with the people of Ukraine since the invasion began on 24th of February. Starting with a candlelit vigil in Royal Square, we have raised and distributed almost £2.3m of assistance, including essential medical supplies, ballistic vests and helmets for front-line medics, incubators for premature babies, and mine-clearance training courses for Ukrainian women. The Island has also collected and sent 15 lorry-loads of donations and supplied 200 surplus oxygen concentrators from Jersey's hospital. This speaks volumes about the character and culture of our Island.

Ukrainian flags flutter over every corner of our Island, and we have been privileged to welcome several Ukrainian families fleeing the conflict. I believe that Jersey's Ukraine Week will clearly demonstrate our continuing support for Ukraine while also raising more money also those so badly affected by this senseless conflict. Thank you for standing with us side by side with Ukraine.

Best Regards,

Michel Le Troquer,
Chairman, Jersey Side by Side

3 - KEY MESSAGES

- Wednesday 24th August is the main state holiday in modern Ukraine. This year the holiday will commemorate the 31st anniversary of Ukraine's Declaration of Independence. It will also, sadly, mark the 6-month anniversary of the start of the Russian invasion.
- 21st - 27th August islanders are invited to show their solidarity and celebrate with our Ukrainian neighbours through a series of community-led activities and fundraising events.
- In addition to attending official Ukraine Week events, we encourage you to organise your own fundraising activities throughout the month of August and during Ukraine Week.
- All funding received by The Bailiff's Ukraine Appeal and Side by Side will be distributed by the Island's official aid agency, Jersey Overseas Aid (JOA).
- JOA's team have experience working at various international organisations, including the UN. Through their network of humanitarian agencies and regular briefings, JOA will identify where funds are best spent and ensure that they are directed to the agencies and locations where they will be most impactful, distributed rapidly, and properly accounted for. All partner organisations have gone through rigorous due diligence procedures.
- JOA has identified a list of key life-saving items that are desperately required. During Ukraine week we will have the chance to learn a bit more about these items and work together towards sending a few of these specific items to where they are most needed. Please visit <https://www.sidebyside.je/choose-where-your-donation-goes/>
- For up to date information about how the funding has been allocated so far, please visit <https://www.joa.je/bailiffs-ukraine-appeal/>

4 - HOW YOU CAN HELP

**UKRAINE
WEEK**  **SIDE
BY
SIDE**

1. Email charity@race-nation.com with the subject line, "Set up a page for Side by Side". Include your name and contact details in the body of the email. RaceNation will set up a personal fundraising page for you to start your very own fund.
2. **Plan a Ukraine Week** event. Invite your friends, family, and co-workers to get involved.
3. **Keep in touch!** Follow and tag us on social media and use the hashtag **#jerseyukraineweek** so we can celebrate your fundraising success. The JEP has offered to run pictures of the most creative efforts!

Your event ideas need only be limited by your own imagination, but if you're looking for inspiration why not try one of these:

- Plan for your team to come to work dressed in either yellow or blue (the colours of the Ukrainian flag) - or dye their hair - for the 24th August. Let's try to get all of St Helier out in colours at lunchtime that day!
- Organise a relay team to run or walk across Ukraine (1,316 km)
- Join up with other companies to cycle the length of Ukraine's border (6992.98 km)
- Beach or dinner parties with Ukrainian food (keep an eye on our website for recipes!)
- Raffle a day off work
- Hold a Eurovision Song Contest
- Screen a Ukrainian film

Jersey Overseas Aid, Crown Agents, mOm Incubators, Baby Lifeline, and Friends of Ukraine will gather in town to share the latest updates from the front lines. 7 - SCHEDULE OF EVENTS

26 AUGUST STORY HOUR

Friday 13:30 - 14:30

Jersey Public Library

Join us for a reading of *How War Changed Rondo*, a picture book written and illustrated by Romana Romanyshyn and Andriy Lesiv, a husband-and-wife duo from Ukraine. A gentle way to introduce a difficult topic to children, this beautiful story addresses the darkness and pain that conflict brings and the wounds that linger long after it's over, while ultimately serving as a tribute to peace, resistance, and hope.

Tickets on Eventbrite through Jersey Public Library.

27 AUGUST MARKET DAY

Saturday 11:00 - 16:00

Town Church Garden

We will round out the week with a Ukrainian market day in the gardens of the Town Church. Jersey's Ukrainian community will gather to say thank you with a little taste of home in the form of artisan crafts, market stalls, authentic cuisine, a traditional fashion show, and live performances.

Keep an eye on our socials and website for event updates and news.

Jersey Side By Side is a Jersey charity that supports humanitarian assistance to people most in need in the wake of major emergencies and natural disasters around the world. The charity was established in response to the 2004 Boxing Day tsunami and raised in excess of £1.7 million for countries and communities affected by the disaster. Subsequently Jersey Side by Side has collected considerable sums in donations to support a number of other global humanitarian and environmental emergencies, including responding to earthquakes in Pakistan (2005), Haiti (2011) and Nepal (2015) and the flooding and mudslides in Madeira in 2010.

So far Jersey Overseas Aid has donated £508,000 to support those caught in the conflict. This is in addition to over £1.5 million this year to other humanitarian emergencies in Ethiopia, Kenya, Somalia, Nigeria, South Sudan, Yemen, Central African Republic and Syria.

The Government of Jersey has to date contributed £1 million to the Bailiff's Ukraine Appeal as well as a further £250,000 to help Ukrainians find refuge in the Island. The people of Jersey can all be proud of the part we have played in supporting those in need.
